

Me and ben made ginger-Beer in the Weekend. It was real gross so we only drank a little bit maybe it was cos we used to much ginger It kind of looks like a poo but

Its really really hard and its a different colour or maybe cos we didnt wash our hands when mum saw she was angry at us. And ben had to go home.

the next day we went to the shop and mum got us real ginger Beer. it doesnt even have beer in it like our's did. or butter. It has water ginger lemin yeast and sugar instead
